Celebrating
USGBC-WM's
impact in 2018

"The Next Phase of Business Sustainability"

Featuring keynote speaker Andrew Hoffman, Award-winning author, scholar, & professor at University of Michigan. Andrew's research is focused on the cultural and institutional aspects of environmental issues particularly in organizations. He has published thirteen books and over one-hundred articles and book chapters with the next phase of business sustainability in mind.

Award Ceremony Honoring:

2018 Innovative
Project Award,
Green Schools Champion
2030 Leadership
and More!

and what's a party without
dinner & cocktails?

We invite USGBC West Michigan Chapter Members at no cost as a thank you for your support. Non-members are welcome, \$75 per ticket. Register at www.usgbcwm.org/events
