

Sponsorship Opportunities

USGBC West Michigan's 2024 Annual Chapter Sponsorship

At USGBC West Michigan, we have served the beautiful state of Michigan for over 19 years. We believe in green buildings for all, and we accomplish this by nourishing community vibrancy via our cornerstone programs such as Michigan Battle of the Buildings and the Grand Rapids 2030 District. With your sponsorship, our organization can continue to provide education and connections to equitable carbon & energy solutions, smart transportation initiatives, and healthy building incentives. Sponsorship benefits are listed below:
